

## Larry Lee Barker

November 5, 1956 - June 27, 2021

Larry Lee Barker was born on November 5, 1956, in Torrance, California. He passed away on June 27, 2021, at Providence St. Vincent's hospital in Portland, Oregon. Larry was 64 years old.

Larry and his wife of 42 years, Cheryl, raised their three children in Scappoose, Oregon. He tried his hand at several different careers but found construction to be his calling. He started his own construction company called Barker Construction. Outside of working, Larry enjoyed hunting and fishing.

Once the children were grown up and on their own, Larry and Cheryl moved to Prineville, Oregon, bringing his construction business with them. After about 16 years in Prineville, Larry and Cheryl decided to move back to Scappoose.

In 2016, Larry was diagnosed with lung cancer. Even though he went through surgeries, radiation, and chemotherapy, he kept working. A year later, he was diagnosed with a more aggressive form of lung cancer. He attacked it with immunotherapy and achieved great results. He then decided to try a clinical trial medication and another round of chemo treatment.

Larry took a lot of pride in his work. He continued to work right up to the middle of June 2021 to finish his last job, and he did.

Larry is survived by his wife, Cheryl Barker; his daughter, Lyndsey Clarke; his son, Charles Barker; his stepson, Steve Proitte; his sister, Jeannie Romine; and his eight grandchildren.

A celebration of life will be announced at a later date.

“ *Our condolences to Cheryl and your family. Larry did most of our major house projects over the last 25 years and he was a good friend. There was no project too big or too small for him to tackle and he had a wonderful work ethic. He will really be missed.*

“ Larry you were my best friend, you always had the ability to make me laugh and smile. I'm so blessed to have had you in my life the last couple of years. You left way too soon, I know you are with Wally fishing in Mexico having a great time. I'm so blessed that I have become friends with your family, you were so blessed. I love you Larry Lee, see you on the flip side my friend.
